

Department of Art Syllabus

Title: ART 421 and 422 *Special Projects*, 3 Credit Hours

Prerequisite: Department Chair Approval.

Date _____

Student's Name _____

Student's ID# _____

Course Number and Title _____

Semester _____ Directing Professor _____

Scheduled Meeting Times _____

Course Description: Advanced level projects with consideration of students' professional goals. A course with flexibility in which an advanced art student may continue an advanced level of work in projects determined according to individual need and specific areas of interest. A student preparing for graduate school may, in this way, do further study in an area in which he/she plans to do work on a graduate level.

I. Project/Course Description:

II. Rationale for the course:

III. Course objectives:

IV. Detailed description of the course:

V. End product to be evaluated (artwork, paper, projects, etc.):

This special projects course is offered in consideration of the advanced art students' professional goals. The student is expected to complete the course requirements, as listed above, to the satisfaction of the directing professor. The directing professor agrees to supervise and oversee the student's progress in this course, according to the scheduled meeting times.

Student Date

Directing Professor Date

I hereby approve the above-named student to enroll in the special projects course above,
under the instruction of the above-named directing professor.
