The **Bachelor of Fine Arts in Sculpture** engages students in a rigorous program that simultaneously develops their conceptual, technical, and formal skills as artists. There is a natural progression of courses, beginning with more structured assignments and skill development, working towards more independent projects at the advanced level.

Please see the back for a full list of courses, and a suggested four-year plan with courses broken into semesters and years. If you have any questions or would like to schedule an advising appointment, please contact Mr. Ray Gregory: gregory@mc.edu
